INVITATION

Dear All Delegates,

It is our great pleasure to announce that we are returning to Bali, a truly beautiful island known as the "Island of the Gods." Following the success of our 2019 conference, we are proud to once again host the 31st Asia Pacific Quality Organization (APQO) International Conference 2026. This event, which will mark the third time it has been held in Bali, will take place at PRIME PLAZA HOTEL SANUR, Bali, Indonesia, from 26 to 29 October 2026.

This international conference is once again brought to you by the Indonesia Quality & Productivity Management Association (IQPMA) in collaboration with the Asia Pacific Quality Organization (APQO). We will also be fully supported by the Ministry of Manpower of the Republic of Indonesia and Wahana Kendali Mutu (WKM).

The annual conference and awards ceremony serve as an excellent platform where delegates from many countries can share their experiences and learn from each other.

During this event, we will present awards to the GPEA Winners, ACE Team Competition, APQO Innovation Class, APQO International Individual Awards, APQO International Best Practice and a Best Practices Sharing Session.

We warmly invite you to participate and experience the beauty of Bali once again. We look forward to your participation and valuable contributions at the conference.

Thank you very much.

APQO

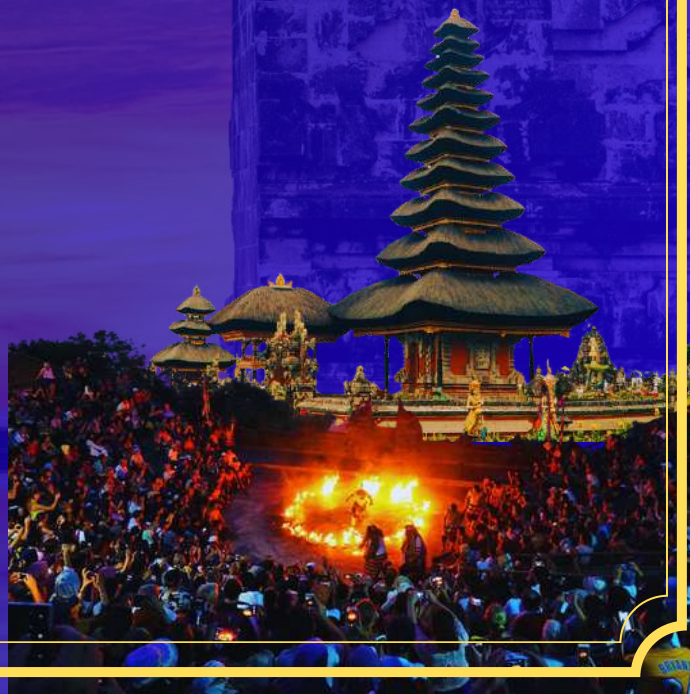
The Asia Pacific Quality Organization is an autonomous, non-political, and non-profit organization focused on scientific and technical matters. It is headquartered in the Asia Pacific region, as defined by its Core Council. The Asia Pacific region includes countries in Asia and those located near the Pacific Rim.

APQO's vision is to be recognized as the universal prime mover in continuously improving the quality of not only goods and services but also the quality of life for people worldwide. APQO has successfully promoted a yearly international conference in the Asia Pacific. The sharing of scientific and technical advancements in quality takes place at these conferences and at APQO's annual meetings, which are hosted by Core Council Member Countries.

CONFERENCE OBJECTIVES

- **Share knowledge about best practices.**
- **Identify future trends.**
- **Learn breakthrough productivity methodologies, tools, and techniques to enable business excellence.**
- **Network and exchange ideas, knowledge, skills, and experiences related to service excellence, continuous improvement, and innovation through teamwork.**

Who should attend? This conference is ideal for: CEOs, COOs, directors, senior leaders, department heads, heads of operating units, senior managers, professionals, and practitioners from all businesses, industries, and non-profit organizations.



PROGRAM

BEST PRACTICE SHARING SESSION

We would like to call all Quality Excellence Team, Quality Practitioners and Senior Leaders to present and share your successful stories about transforming programs, systems or projects at 31st APQO IC 2026 - Bali, Indonesia.

This session will provide a valuable platform for participants to exchange successful strategies and innovative solutions. It's an opportunity to learn from the experiences of others, discover what works best in different contexts, and apply those insights to achieve excellence within our own organizations. By sharing our collective knowledge, we can all contribute to elevating quality standards across the Asia Pacific region.

CONFERENCE SUB-THEMES:

- Quality Leadership and Culture

AWARDS

GLOBAL PERFORMANCE EXCELLENCE AWARD

is the only formal international recognition for business excellence. The GPEA aims to bridge the cultural, geographic, and economic gaps between National Quality Awards (NQA).

AWARDS FOR CONTRIBUTING TO EXCELLENCE (ACE)

ACE is a highly participative and interactive team excellence competition designed to recognise teams that demonstrate common values and goals imparting a powerful sense of shared purpose where they combine talents and skills to achieve new levels of performance.

APQO INNNOVATION CLASS

Awards for Organizational Innovation to Remain Competitive

APQO INTERNATIONAL BEST PRACTICE

APQO International Best Practice (AIBP) introduced in 2019, will provide opportunity to GPEA Applicants to participate at competition for recognition of Best Practices and share their best practices at APQO International Conference held annually.

APQO INTERNATIONAL INDIVIDUAL AWARDS

The awards, including the prestigious Harrington/Ishikawa Quality Professional Award, have been managed and judged exclusively by an APQO panel to ensure a robust and independent process. Nominees must be proposed by an APQO member organization and supported by a Core Council Member.
